To

The Secretary to Government, Law Department, Bangalore

Secy Law Dept 9 NOV 1943 Govt of Mysore

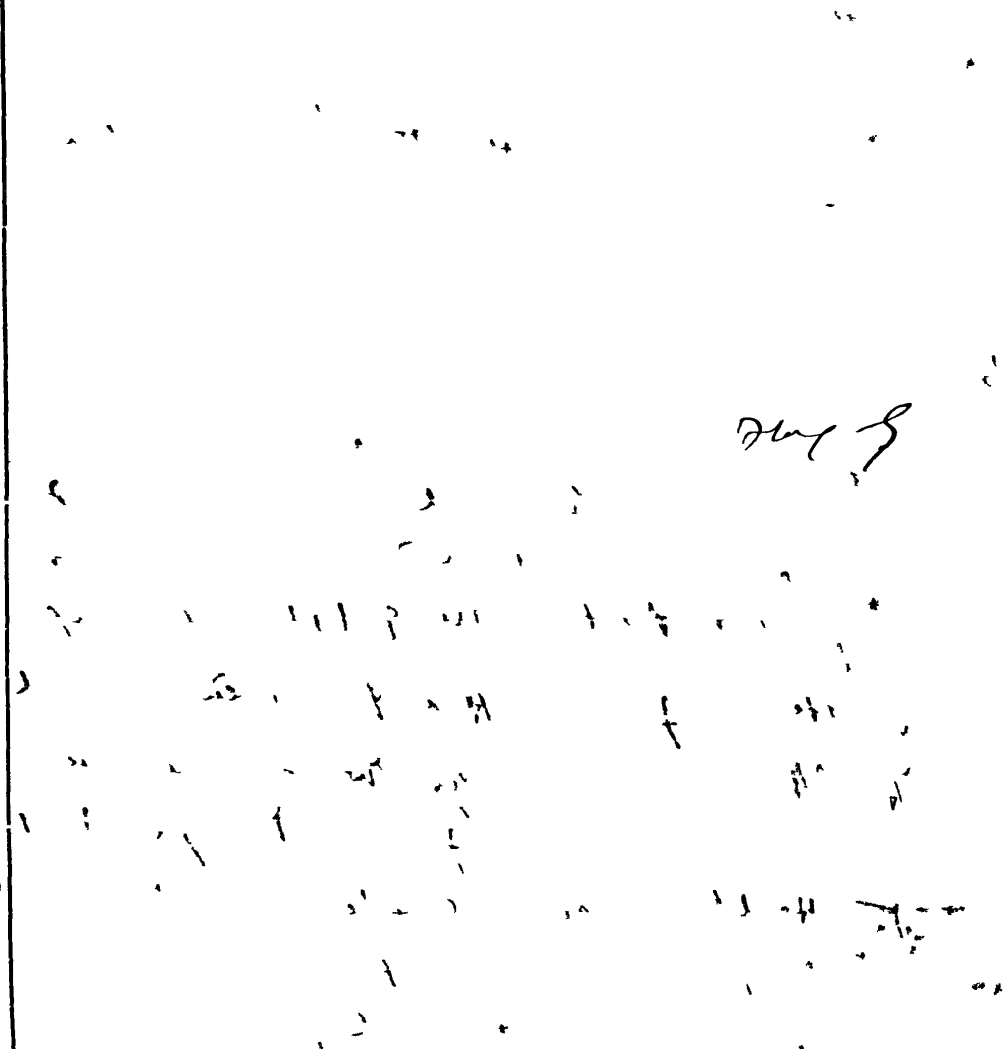
Ben & R I Secit 9 NOV 1943 Ben MIB Br

Sir,

Adverting to Government Order No G 3838-4 P H 24-42-5 dated 24th September 1943 I have the honour to state that the Rural Health Unit, Mandya is automatically merged into the Malaria Control Unit at Mandya As per Government Order No L 19 MI 65-42-2 dated 11th August 1942 the Health Officer Rural Health Unit, was an ex-officio member of the Municipal Council, Mandya In view of the changed circumstances, I request you to kindly obtain and convey orders of Government making the Health Officer Malaria Control Unit Mandya as an ex-officio member of the Municipal Council instead of the Health Officer Rural Health Unit, Mandya

I have the honour to be,
Sir,
Your most obedient servant,

O. Gangaiya
Director of Public Health



The Health Officer of the Rural Health Unit, Mandya was an Ex officio member on the Mandya Town which Unit is stated to be automatically merged into the Malaria Control Unit which as per orders vide Hqrs P, functions on the whole anti malaria Scheme in Mandya.

It cannot be made out whether the Health Officer has ceased to function as Ex Officio member of the Council If approved a copy of this letter will be sent to the DC Mandya for consideration

Health Offr, Malaria Control Unit, Mandya to be an ex officio member on the Mandya Tn Mcl

---

READ—

Government Order No G 6977 83—P H 34 41 4 dated 3rd January 1942 sanctioning a scheme for introducing anti malaria measures and for improving the general health conditions in the Irwin Canal area

2 Government Order No G 5024 6—P H 34 41 34 dated 4th November 1942 sanctioning the proposal of the Director of Public Health for the continuance of the Rural Health Unit at Mandya at a cost of Rs 7 560 during the year 1942 43 from 3rd January 1942

3 Government Order No G 8919 20—P H 97 42 2 dated 2nd February 1943 sanctioning the continuance for a further period of one year from 1st January 1943 of the malaria relief works at Keregode Hanakere and Kothathi in Mandya Taluk

4 Correspondence ending with letter No B M 248 dated 3rd August 1943 from the Director of Public Health submitting proposals to extend the anti malaria scheme in the Irwin Canal area

ORDER No G 3838 46—P H 24 42 57, DATED BANGALORE, THE 24TH SEPTEMBER 1943

The scheme sanctioned in the Government Order of 3rd January 1942, read above, has been in operation for more than a year, and the Director of Public Health reports that the results of the working of the scheme have been very encouraging in bringing down the incidence of malaria and in improving the health condition of the villages and recommends that the scheme may, with advantage, be extended to the remaining two sections comprising of 131 villages

The Director of Public Health has proposed that with a view to co ordinate all anti malaria activities, the existing itinerant dispensaries at Gajjalagere, Shivalli, Keelara and Dodda Arasinakere and the Malaria Relief Centres at Keragode, Hanakere and Kothathi now working in the area to which the scheme has to be extended may be placed under his control with the budgetary provisions therefor being transferred to the Public Health Department, to which the Senior Surgeon is agreeable He also considers that there is no need for the continuance of the Rural Health Units as such after the proposed extension of the scheme to the entire area and has proposed that it may be abolished

The scheme will, on extension, cover altogether 198 villages and the total expenditure will be Rs 1,68,450 (Rs 1 62,450 recurring and Rs 6,000 non recurring) per annum as detailed in the schedule annexed hereto

Excluding the expenditure of Rs 73,738 which is already being incurred as detailed below, the additional expenditure required for extension of the scheme

will be Rs. 94 712 per annum for which necessary provision has already made in the budget of the current year

| | Rs. |
|---|---|
| Expenditure for the Rural Health Unit proposed to be abolished after the extension of the scheme for the entire area | 6 823 |
| Expenditure for the existing scheme for 67 villages | 51 162 |
| Expenditure for the four itinerant dispensaries proposed to be transferred to the Public Health Budget inclusive of the provision for three Malaria Relief Centres .. | 15 748 |
| Total | 73 738 |

Government are pleased to sanction the above proposals of the Direc Public Health for a period of one year, the cost being met out of the provisi Rs 94,712 made for the scheme in the budget for the year 1943-44
